

Help us change *local* *lives* this Christmas.

This Christmas, CareYourWay is proud to continue its annual Present for a Pensioner initiative, a campaign dedicated to spreading joy and tackling loneliness among members of our community.

Since launching in 2016, this heartfelt initiative has delivered festive hampers to thousands of individuals who may be spending Christmas alone or facing difficult times. With the support of local people and businesses, each hamper represents more than just a gift; it's a reminder that no one is forgotten.

Each hamper costs just £35 to make and will help to change a life this Christmas.
